

Emile Galle red & yellow floral cameo glass vase

Emile Galle

Sold

REF: 2356

Height: 13 cm (5.1")

Description

Emile Galle red & yellow floral cameo glass vase C1900

Fine quality multi layered cameo glass vase heavily decorated with lots of foliage budding flowers and flowers in bloom with window pane effect

The condition is very good with no damage

Signed Galle in the cameo

The 'window pane' method has been used on this vase which allows light to penetrate through the design showing the true colour and intricate detail and not a mixture of colours.
