

Galle wisteria cameo glass vase

Emile Galle

Sold

REF: 2510

Height: 21.6 cm (8.5")

### Description

Slender Galle cameo glass vase with wisteria leaves and buds

Signed Galle in the Cameo C1900

The condition is very good, there is one small air bubble which has broken the surface. It is very shallow and is on the underside of the base so its not really visible when displayed.
