Description

Rene Lalique opalescent Butterscotch Moineaux clock
Marcilhac page ref 369
Introduced 1924

Moulded mark R Lalique

The condition is very good with no damage or faults to the glass case.
The ATO movements that are fitted to these clock are electric and were fitted with a battery.
The clock has been recently fitted with a new battery carrier and rewired.
It is now in working order and appears to be keeping time.
As I am not a clock specialist I cannot guarantee the time keeping of the movement.
