

BRADLEY GENT

SPECIALISING IN RENE LALIQUE GLASS

Rene lalique opalescent Inseparables clock with painted dial

Rene Lalique

Sold

REF: 1772

Height: 11 cm (4.3")

Description

A really very nice example of this popular clock with hand painted dial of two pairs of budgerigars perched on branches

The opalescence is nice and the detail crisp

Moulded mark - R Lalique and engraved France

Marcilhac page ref 377

Model number 765

Introduced 1926

The condition is very good with no damage or faults

The clock runs and appears to be keeping good time.

although no guarantees can be give for the time keeping of the movement.
