SPECIALISING IN RENE LALIQUE GLASS

Rene Lalique opalescent Inseparables clock with painted dial

Rene Lalique

£3,395

REF: 3131

Height: 11 cm (4.3")

Description

Rene Lalique opalescent Inseparables clock with painted dial, painted with a more unusual design with three birds amongst trees and foliage

The opalescence is nice and the detail crisp

Moulded mark - R Lalique

Marcilhac page ref 377

Model number 765

Introduced 1926

The condition is very good with no damage or faults

The clock runs although no guarantees can be give for the time keeping of the movement. Ideally a service would be required.
