

Rene Lalique opalescent coquilles no5 Plate
Rene Lalique

Sold

REF: 2455

Diameter: 16.5 cm (6.5")

Description

Rene Lalique opalescent coquilles plate
This is the smallest size coquilles plates

Marcilhac page 701
Model No 3013
Introduced in 1924

To the centre of the plate there is a moulded Mark R Lalique and wheel cut France

The condition is very good with a few little marks, visible mould line but nothing detrimental.
The plate displays very nicely
