Description

Daum Enameled Winter Landscape Table Lamp C1910

Signed to the shade in black enamel Daum Nancy

The condition is very good with no damage to the glass

The metal wrought iron fittings show visible rust and wear to the black paint, as can be seen in the photographs.

The lamp is wired for UK use and has a double bulb holder , one internal in the base and one in the regular place to the top of the base.

The lamp is untested so would be sold without a plug. The safe working of the lamp would be the responsibility of the buyer.
