Description

Daum enameled winter landscape vaseC1890

Lovely pillow shaped vase enameled with a snowy winter scene

The top portion of the Daum letters to the base have worn away due to it been on the area of the base which touches the surface.

Nancy and the cross of Lorraine are clearly visible along with the decorators mark.

The condition is very good with no damage. There is a small indent to the edge of the base, It appears to me that there was an air bubble within the glass during manufacturing and this has caused the small indent.
