

BRADLEY GENT

SPECIALISING IN RENE LALIQUE GLASS

Rene lalique opalescent Inseparables clock with painted dial

Rene Lalique

Sold

REF: 1581

Height: 11 cm (4.3")

Description

A really very nice example of this popular clock with hand painted dial

The opalescence is nice and strong and the detail crisp

Moulded mark - R lalique

Marcilhac page ref 377

Model number 765

Introduced 1926

The condition is very good with no damage or faults

I suspect the hands have been replaced a some point

The clock runs and appears to be keeping good time.

although no guarantees can be give for the time keeping of the movement.
