Description

Rene Lalique opalescent inseparables clock with hand painted dial

A really very nice example of this popular clock with hand painted dial of two pairs of budgerigars perched on branches

Moulded mark - R Lalique

Marcilhac page ref 377

Model number 765

Introduced 1926

The condition is excellent with no damage or faults.

The movement does require a service. The clock will tick when gently shaken.

It ticks for a little while then stops.
