

Rene Lalique large opalescent Calypso charger

Rene Lalique

Sold

REF: 1022

Diameter: 38.5 cm (15.2")

Description

Rene Lalique large opalescent Calypso Charger

Introduced in 1930

Marcilhac page ref : 301

Model No 414

Note this a large flat plate which is far less common than the shallow bowl version

Excellent condition, a really very fine example with no faults, there are a few internal air bubbles which can be seen in the images none of which are unsightly
