Description

Rene Lalique opalescent Violettes vase

A lovely very modern looking vase having a good strength of opalescence with a slender body, flared rim moulded with leaves with their stems running down into the vase

Marcilhac page ref 424

Introduced in 1921

Model number 930

Wheel cut mark to the base R Lalique

The condition is very good, there is a tiny air bubble to the rim and an internal annealing line at the bottom part of one of the stems. (See image). Also lots of surface wear to the base.
